

Appendix A: Transportation Improvements Program (TIP) or Capital Improvements Program (CIP) Development Process (Riverside County)

City/County Name	TIP/CIP Summary	General Plan Summary	GIS Status	Contact (email & phone #)
Riverside County Transportation Commission (RCTC)	<p>TIP Document provides a 7 year projection of revenues and expenditures. The FY 2008 thru 2014 TIP budgets \$1.5 billion in total improvements with \$262 million planned for FY 07/08.</p> <p><a href="http://www.tlma.co.riverside.ca.us/trans/proj_tip_document.html">http://www.tlma.co.riverside.ca.us/trans/proj_tip_document.html</a></p>	<p>The General Plan is the blueprint for the County. It describes the future growth and development within the County over the long term. It acts as a constitution for both public and private development, the foundation upon which our leaders will make growth and use related decisions.</p> <p><a href="http://www.rctlma.org/genplan/default.aspx">http://www.rctlma.org/genplan/default.aspx</a></p>	<p>Since 1989, Riverside County has been integrating GIS technology into many of its governmental functions such as land development, land use and Planning, road construction and maintenance, code enforcement, environmental programs, emergency services, law enforcement, and demographics.</p> <p><a href="http://www.rctlma.org/gis/default.aspx">http://www.rctlma.org/gis/default.aspx</a></p>	<p>Mike Harrod, Principal Planner; Phone: (951) 955-1881</p> <p>email: mharrod@rctlma.org</p>
Banning	<p>CIP is a roadmap that provides direction and guidance for planning, managing, and financing the City's capital and infrastructure assets. CIP projects are ranked based a list of ranking criteria. The CIP also identifies the funding sources availafor for CIP projects. The CIP projects are not listed on web site.</p> <p><a href="http://www.ci.banning.ca.us/DocumentView.asp?DID=4">http://www.ci.banning.ca.us/DocumentView.asp?DID=4</a></p>	<p>The City's General Plan is not available on website or at least cannot be easily found. Monthly Reports indicate the General Plan exists. General Budget FY 07/08 is \$26,093,000. The City has an existing General Plan. No updates are being conducted right now. General Plan Amendments are welcome. No approval date can be found on web site for the general plan.</p> <p><a href="http://www.ci.banning.ca.us/DocumentView.asp?DID=4">http://www.ci.banning.ca.us/DocumentView.asp?DID=4</a></p>	<p>GIS maps are available in PDF format. No specific GIS department exists. AutoCAD/GIS technician supports the city for producing maps. No GIS-based maps are found for CIP purposes.</p>	<p>Public Works Department: (951)922-3130</p>

City/County Name	TIP/CIP Summary	General Plan Summary	GIS Status	Contact (email & phone #)
Beaumont	<p>CIP projects are described in the General Plan. However they are not easily found in the web site. The CIP projects are not listed on web site.</p> <p><a href="http://www.ci.beaumont.ca.us/DocumentView.asp?DID=121">http://www.ci.beaumont.ca.us/DocumentView.asp?DID=121</a></p>	<p>The City has a nice document center that provides all the documents including the general plan for use by the public. Most of funding is general fund. General Plan 2007. TAZ and Modeling efforts are used for General Plan.</p> <p><a href="http://www.ci.beaumont.ca.us/DocumentView.asp?DID=63">http://www.ci.beaumont.ca.us/DocumentView.asp?DID=63</a></p>	<p>The City has a strong GIS department. Plenty of GIS applications and maps can be found on the City's web site. Use of ArcIMS to display major projects listed in CIP.</p> <p><a href="http://pmcmap.com/website/beau70/viewer.htm">http://pmcmap.com/website/beau70/viewer.htm</a></p>	<p>Planning: (951)769-8518</p>
Blythe	<p>The City does have CIP projects. However, the CIP information cannot be easily found on web site.</p>	<p>The City has a nice document center listing all the necessary documents on the City's web site. The General Plan includes Community Design Element, Land Use Element, Circulation Element, Parks and Recreation element, Open Space and Conservation Element, Safty Element, and Noise Element. New General Plan 2007. Did not say this general plan is developed by a consultant.</p> <p><a href="http://www.cityofblythe.ca.gov/DocumentCenterii.asp">http://www.cityofblythe.ca.gov/DocumentCenterii.asp</a></p>	<p>The City produces many GIS maps for different departments in the city. GIS is used for pavement management system, land use, and general plan preparation. No information of GIS use for CIP can be found.</p>	<p>Planning Director:</p> <p>Jennifer Wellman (760) 922-6130 ex246</p>
Calimesa	<p>Table indicates project, time, and whether the project has funding. But it does not indicate the funding amount.</p> <p><a href="http://www.cityofcalimesa.net/CCAGENDAS/Agendacover%2012-18-06%20Regular.pdf">http://www.cityofcalimesa.net/CCAGENDAS/Agendacover%2012-18-06%20Regular.pdf</a></p>	<p>The General Plan includes Land Use Element, Circulation Element, Housing Element, Resuorce Management Element, Saftety Element, Noise Element, and Air Quality Element. General Plan 2002 Revision</p>	<p>GIS maps are available in PDF format. No central place is provided on the web site to list all the documents needed by the public.</p>	<p><a href="#">General Plan Steering Committee</a></p> <p>Community</p>
